USAGE: Take 1 softgel per day, preferably with a meal or as directed by your qualified healthcare professional.

NOTE: Pregnant and lactating women should consult their healthcare professional before using this product.

Astaxanthin is a natural antioxidant carotenoid derived from the fermentation of the microalgae *Haematococcus pluvialis*. Clinical studies have demonstrated that Astaxanthin supports the skin (during exposure to a normal amount of sunlight), eyes and a healthy inflammatory response.* Most Astaxanthin research has been conducted with daily intakes of between 4 and 12 mg.

Keep out of the reach of children.
