

Suggested usage: 1 to 3 tablets taken before bedtime. Start with 1 tablet and slowly work up to 3 tablets or as directed by a health professional.

Natural Factors Niacin is recommended by Dr. Michael Murray, one of the world's leading experts on natural medicine. A safer, non-flushing alternative to niacin, the intermediate release nicotinic acid form releases niacin slowly and supports a healthy heart and cholesterol metabolism already within normal range*

Cautions: Most people should not experience flushing when using this product. However, a few individuals sensitive to nicotinic acid may experience some flushing of the skin that is generally mild and transient. Do not take on an empty stomach. Keep out of the reach of children.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
