

USAGE: Take 2 tablets three times per day with meals, (for a total of 6) to facilitate maximum absorption or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, or taking medications (especially warfarin/Coumadin), consult your healthcare professional before using this product.

Ultra Bone-Up® provides StimuCal™ ossein **MicroCrystalline HydroxyApatite** (MCHA) (from free-range New Zealand calves), which includes the superior combination of the inorganic calcium lattice of MCHA within an organic protein milieu. StimuCal™ is rich in native type I collagen—the predominant protein found in bone—and has been clinically demonstrated not to disproportionately spike calcium blood levels as do other forms of calcium, such as the citrate and carbonate salt forms. StimuCal™ is combined with vitamin D₃, vitamin K₂ (as MK-7 from natural fermentation [a more bioavailable form of vitamin K]) and JarroSil® Activated Silicon® to support the deposition of calcium into the bones, as well as to assist in building up the organic bone matrix.* Also included for optimal osteo support, are potassium citrate (systemic alkalizer) and MBP® (Milk Basic Protein) (activates osteoblasts and decreases osteoclast activity).* Bone Up® also supports cardiovascular and arterial health.*

HEALTH CLAIM: Adequate calcium and vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis later in life.

Keep out of the reach of children.

Supplement Facts

Serving Size 6 Tablets

Servings Per Container 40

	Amount Per Serving	% DV
Vitamin C (as calcium ascorbate)	200 mg	330%
Vitamin D ₃ (cholecalciferol)	2000 IU	500%
Natural MK-7 (vitamin K ₂ as menaquinone-7)	90 mcg	110%
Calcium (elemental) (from StimuCal™ Microcrystalline Hydroxyapatite)	1200 mg	120%
Magnesium (as magnesium oxide)	500 mg	130%
Zinc (L-OptiZinc®) (as zinc L-monomethionine)	10 mg	70%
Copper (as copper gluconate)	1 mg	50%
Manganese (as manganese citrate)	1 mg	50%
Potassium (as potassium citrate)	99 mg	4%
JarroSil® Silicon (Activated Silicon® formula of molecular clusters of stabilized silicic acid)	5 mg	*
Boron (as boron citrate)	3 mg	*
MBP® (Milk Basic Protein)	40 mg	*

* Daily Value not established.

Other Ingredients: Cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source), silicon dioxide and a food grade coating.

Contains: Dairy (Whey) and soy (in trace amounts).

No wheat, no gluten, no egg, no fish/shellfish, no peanuts/tree nuts. StimuCal™ is a registered trademark of PharmaZen Ltd., and is patent pending. MBP® is a registered trademark of MEGMILK SNOW BRAND Co., Ltd. of Japan.
