Dietary Supplement

Pollutants

Unfortunately, we live in a fairly toxic world, and even those of us who are committed to living clean and eating healthy are likely to ingest, inhale, absorb, or produce our own fair share of disruptive substances, substances that our body would be better off without and may need help unloading. Pollutants in the air, food and water we ingest can cause damage to our organs and tissues. It is important that we cleanse these poisonous toxins from our bodies regularly. Purified® Brand Puriclean Instant® Complete Body Cleanser provides a safe effective way to help cleanse the body of unwanted toxins that build up in your body on a daily basis. We recommend you use Purified® Brand Puriclean Instant® Complete Body Cleanser often so you can benefit from a cleaner, healthier body.

Directions:

1. Fill the enclosed 32 oz. bottle with purified water and drink while taking the enclosed green and yellow capsules.
2. Refill the bottle with purified water again and drink while taking the clear capsules.
3. Urinate as much as possible.
4. Continue to drink plenty of water, within reason, while urinating.
