

MALE ENHANCEMENT

FAST ACTING IN 10 MINUTES

1107.5mg Fast Dissolve Softgel

WARNING: Yohimbe should be avoided by individuals with hypotension (low blood pressure), diabetes, and heart liver or kidney disease. This product can raise blood pressure and interfere with other drugs you may be taking. Talk to your doctor before taking this product. Use only as directed. If you are taking any medication, consult a healthcare professional before using this product. Not intended for use by those with a medical condition. Not intended for use by pregnant or lactating women. Do not exceed over one softgel per day. If you are taking anti-depressants or other medication, consult a physician before use. Discontinue use 2 weeks prior to surgery. No statement on this box has been evaluated by the FDA. This product is not intended to diagnose, treat, prevent, or cure any disease. The efficacy of this product has not been confirmed by research and traditional use does not establish that this product will achieve any claimed result.

SUGGESTED USE:

Take 1 fast dissolve softgel 5-10 minutes before activity.

Do not take more than 1 softgel per day.
