STRIP® NC
NATURAL CLEANSER
Cleansing† Drink with Psyllerol™

Psyllerol™

Psyllerol™ is an exclusive proprietary formula of psyllium, carbohydrates and vitamins.

Our Toxic World

Unfortunately, we live in a fairly toxic world, and even those of us who are committed to living clean and eating healthy are likely to ingest, inhale, absorb, or produce our own fair share of disruptive substances—substances that our body would be better off without and may need help unloading.

Pollutants in the air, food and water we ingest can cause damage to our organs and tissues. It is important that we cleanse these poisonous toxins from our bodies regularly. Strip® Natural Cleansing Liquid provides a safe and effective way to help cleanse the body of unwanted toxins that build up in your body on a daily basis.† We recommend you use Strip® Natural Cleansing Liquid often so you can benefit from a cleaner, healthier body.†
