

Enzymes - The Sparks of Life™

Dr. Howell's Original "Extra-Strength" Formula provides a double strength version of the one and only digestive enzyme blend developed by Dr. Edward Howell, the originator of food enzyme supplementation and author of the book *Enzyme Nutrition*. Since his *Original Formula* first became available in 1932, thousands of people have found it to be safe and effective in assisting the body's natural digestion of the protein, sugar, starch, fat and fiber in food.* Based on his extensive clinical research, Dr. Howell created this unique **n•zimes®** blend of highly active, plant enzymes found only in **Genuine N•Zimes™** products today.

Recommended Use: One or two capsules with each meal. Take with adequate liquid. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.

n•zimes® is a trademark of National Enzyme Company.
