

WellZymes™ **Gas Eaze** includes a wide array of enzymes targeted to help relieve occasional bloating and flatulence caused by high fiber foods (legumes, cruciferous vegetables etc). By reducing gas in the digestive tract Gas Eaze will help improve digestion and increase nutrient absorption.[†]

Recommended Use: Take two capsules at the beginning of each meal containing legumes, cruciferous vegetables or high fiber foods, with adequate liquid, or as directed by your healthcare professional. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of the reach of children.
