

**Quadra Cuts Competition** is formulated for quick and effective weight loss. It's the perfect formula for anyone who wants to look their best getting ready for bodybuilding or physique competitions, weddings, photo shoots, vacations, etc. This hardcore formula will provide you with the powerful ingredients to shred fat and water weight fast and designed to be taken 2 to 3 weeks before your big event.

**Quadra Cuts Competition** provides the powerful ingredients to promote fat burning metabolism by stimulating the release of stored fat from fat cells, elevating the body's thermogenic furnace, promoting accelerated weight loss specifically from fat (fat oxidation), and increasing energy. Additionally, **Quadra Cuts Competition** contains herbs to promote safe, healthy, and rapid water weight release for the appearance of paper-thin skin, muscle definition and vascularity.

**Quadra Cuts Competition** is the smart formula you want to use delivering the correct and powerful ingredients to shred fat and water weight fast to transform your body into peak physique.

As with any weight loss product, this dietary supplement is most effective when used in conjunction with a sensible and reduced caloric diet, exercise and behavior modification program along with a comprehensive multivitamin and mineral supplement from the Max Muscle line.
