

ProSol™ Gluten Digestion™ is a 100% vegetarian supplement that includes Protease GL™, a unique proprietary blend of proteases, to help optimize the digestion of foods containing gluten and casein.†

Recommended Use: Take one capsule 45 minutes prior to a meal or snack containing gluten, and one capsule with the meal, with adequate liquid, or as directed by your healthcare professional. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.

Not recommended for those with Celiac Disease.

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, mitigate, cure or prevent any disease.
