

ProSol™ Flora Balance is a 100% vegetarian supplement that includes cellulase plus a synergistic probiotic blend to help support a healthy balance of intestinal flora. May be used for yeast overgrowth in the mouth and throat, or for vaginal flora imbalances.†

Recommended Use: Take 4 grams (approximately one teaspoon) mixed with a glass of water twice daily at least two hours before or after meals, or as directed by your healthcare professional. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.
