

**Suggested Usage:** 1 capsule up to 2 times per day or as directed by a health professional. Keep out of reach of children.

Curcumin is the yellow pigment of turmeric valued for its many health benefits. With curcumin, it's not how much you take, it's how much you absorb. CurcuminRich™ with Theracurmin™ provides superior absorption compared to regular curcumin.

**Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.**

**Contains no artificial preservatives, color or sweeteners; no dairy, gluten, soy, wheat or yeast.** Suitable for vegetarians. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

## Supplement Facts

Serving Size 1 Capsule

| Amount Per Serving                                                                                                   |          |
|----------------------------------------------------------------------------------------------------------------------|----------|
| Theracurmin™                                                                                                         | 300 mg** |
| (Providing a surface controlled, colloidal dispersion of 30 mg curcumin from turmeric [Curcuma longa] root extract.) |          |

\*\* Daily Value not established.

Other ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), magnesium stearate (vegetable grade), silica.

Theracurmin™ is a trademark of Theravalues Corp.  
CurcuminRich™ is a trademark of InovoBiologic Inc.

**The difference is  
Theracurmin™**

**The most absorbable form of  
curcumin on the market.**

Oral absorption (bioavailability) of curcumin has been quite low, until now. With Theracurmin™, researchers have shown that blood levels equal to those of 8,000 mg of regular curcumin powder can be achieved by taking only one capsule of CurcuminRich™.

**CurcuminRich™**

**A major breakthrough  
in curcumin absorption!**

*It's not how much you take,  
it's how much you absorb!*

- One capsule is equal to 8,000 mg of regular curcumin powder
- CurcuminRich™ is more bioavailable than regular curcumin powder
- Supports the body's natural inflammatory response\*
- Safe, natural and effective

Advanced technology to safely and effectively:

- Exert powerful antioxidant activity\*
- Support joint health and function\*
- Promote heart and vascular health\*
