FishSMART Ultra is an ultra-concentrated daily fish oil supplement ideal for those with difficult digestion. Clinical studies indicate that those who take 30 more capsules per container will experience 30 more capsules' worth of benefits. This is because each capsule contains 3 softgels and helps reduce intestinal discomfort.*

How Does FishSMART Ultra Deliver 3X Better Absorption?

✓ Ultragest™ Technology

FishSMART Ultra enteric-coated capsules contain peppermint oil and lipase, which aid in digestion and also help reduce fishy aftertaste.*

✓ Enteric-Coated Controlled Release

Our Ultragest™ enteric coating means more Omega-3 oils are delivered directly to the intestines. This targeted release ensures superior absorption with less of the fishy repeat, aftertaste or odor typical with uncoated fish oils.*

✓ Lipase-Enhanced Digestion

FishSMART Ultra is enhanced with plant-derived lipase, the fat-splitting enzyme, to aid in digestion and prevent fishy burps or aftertaste.*

1 Enteric-coated Softgel **= 3** uncoated softgels

Ultragest™ Enteric Coating
Oils are delivered directly to the intestines for superior absorption

FishSMART Ultra:

- Targeted release
- No aftertaste
- Lipase aids digestion

Typical uncoated fish oils:

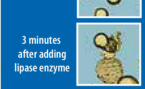

- Poor breakdown
- Gastrointestinal discomfort
- Fishy "repeat"

Non-coated capsule dissolves in stomach causing fishy aftertaste and poor absorption

Lipase Fat-splitting Enzyme
Enhances the digestion and absorption of Omega-3 oils

FishSMART Ultra:

- Oil droplets in bile

3 minutes after adding lipase enzyme

The Total-Body Benefits of Omega-3s

Clinical studies indicate that a diet rich in Omega-3 oils provides numerous health benefits for the whole body. Fish-derived Omega-3s have been shown to support heart health and immunity, as well as healthy skin and joints and improved mood.*

Peppermint Oil for Enhanced Digestion

Peppermint oil is a powerful natural digestive aid ideal for those with digestive issues. The peppermint oil in FishSMART Ultra stimulates the flow of digestive fluids and helps relieve occasional gas, bloating, nausea and indigestion.* Its soothing properties help relax the muscles of the stomach and colon and may help relieve occasional irritable bowel, diarrhea, abdominal cramping and flatulence.*

Ultimate Purity and Potency

FishSMART Ultra provides superior-quality, purified fish oil rich in Omega-3 DHA and EPA. Sourced from smaller species of wild, cold-water fish, the Omega oils in FishSMART Ultra undergo a minimum of three purification steps to ensure high concentration and freedom from any contaminants.

Once-Daily Convenience

FishSMART Ultra is more concentrated than other fish oil blends, which means you get all the benefits of the powerful Omega-3 formula in just one daily softgel.
