

- **EXTREME ENERGY**
- **HIGHLY THERMOGENIC***
- **INTENSE WATER LOSS***

ThermXX goes beyond anything ever developed by Max Muscle Sports Nutrition. **ThermXX** is an extremely potent, scientifically based innovation in the diet and weight loss category. **ThermXX** is a thermo-energetic fat burner that takes weight management to the extreme. This is no ordinary fat/calorie-burning product; it is a highly potent formula containing 7 different proprietary blends within one powerful product to support high energy, thermogenic fat oxidation, appetite management, water loss and thyroid function. The MMSN product development team utilized only the highest quality ingredients to ensure maximum potency. Our proprietary blends contain superior ingredients that promote synergistic effects in a powerful combination to enhance performance and optimize results. There has never been a proprietary formula developed that comes anywhere close to what **ThermXX** delivers! **ThermXX** should be used in combination with regular exercise and a proper nutrition plan.

Consult a physician before starting any diet or exercise program.
Contains 215mg of Caffeine per serving (three capsules).
