We know that you are performance driven, whether that be to improve lean body mass or compete at a higher level. Dymatize developed the new **PerformanceDriven** line with your goals in mind via Pre, Intra and Post training support.*

Dymatize Amino Pro is designed to support your endurance throughout your workout or competition. It replenishes essential nutrients that are lost during training and supports improved circulation to increase your stamina.*

- 2.5g of instantly soluble BCAAs to support improved endurance*
- Electrolytes to keep your body hydrated and to avoid performance-ruining muscle cramps*
- L-Taurine and L-Citrulline to support improved endurance and help fight fatigue through increased energy and circulation*
- Caffeine for quick and sustained energy*

Great tasting and refreshing, **Amino Pro** is the perfect product to maximize your endurance while you train or just to enjoy throughout the day.*

DIRECTIONS: As a dietary supplement, take 1 scoop (provided) for every 30-45 minutes of intense exercise/ workout. Use 8-12 oz. of water per scoop to taste. Add additional fluid for heavier hydration needs.
