High Performance Complex Carbohydrates

WHO WE ARE

Universal Nutrition has been providing cutting edge and staple nutritional supplements to bodybuilders and hard training athletes the world over since 1977. As time passes, certain ideals never go out of style. Honesty. Integrity. Respect. These are the values we uphold and are the bedrock upon which we built our business.

WHAT IT IS

Universal Power Protein™ offers serious bodybuilders and athletes a perfectly balanced combination of the highest quality premium protein plus essential vitamins, minerals, anti-oxidants, electrolytes, lipotropics, advanced metabolic optimizers and high performance complex carbohydrates. Power Protein™ forges your body with superior nutrients that fuel your muscles for increased power, prolonged endurance and enhanced recovery from intense training. Power Protein™ provides key dosages of essential amino acids (including the three branched chain amino acids L-leucine, L-isoleucine and L-valine) derived from Universal's advanced protein complex.

HOW WE BACK IT UP

What is on the label is in the bottle and what is in the bottle will help you reach your goals. We believe it and proudly stand behind every product we manufacture. Our word is our bond.
