

DIRECTIONS: Blend, shake, or briskly stir two level scoops (45 g) into 8-10 oz chilled water and consume one to two times daily, or take as directed by your healthcare practitioner. Adjust amount of water to desired sweetness and thickness.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Caffeine should not be combined with synephrine or ephedrine. Use cautiously in individuals who have a history of abnormal heart rhythm. Do not use if tamper seal is damaged.

i5 Energize™ is an all-natural, nutrient-dense shake mix designed to support healthy energy production, gastrointestinal integrity, cytokine balance, and the body's natural ability to detoxify. It is a wholesome alternative for individuals seeking to maintain robust energy levels, enhance their workout, or simply maintain overall health and wellness. This unique, fructose-free formula contains the same micronutrient profile (different dosages) found in XYMOGEN's ActivNutrients™ without Copper & Iron, along with supplemental methylcobalamin (activated vitamin B12) and an energizing proprietary blend of coffee fruit extract and green coffee bean extract. i5 Energize features VegaPro™, a non-GMO, pea-based protein; IgG 2000 CWP™, a bovine-derived immunoglobulin concentrate; OncoPLEX™, glucoraphanin from broccoli seed extract; and arabinogalactan, a prebiotic. i5 Energize provides 80 mg of caffeine per serving.*
