

Suggested usage: PGX® softgels can be taken with or without meals with 12–16 oz. of water or as directed by a health professional.

Week 1: 1–2 softgels 3 times daily.

Week 2: 2–4 softgels 3 times daily.

Week 3 and beyond: 3–6 softgels 3 times daily.

Keep out of the reach of children.

The combination of PGX® Ultra Matrix Softgels and mulberry extract helps lower the glycemic index of your meals, slow glucose absorption and promote healthy blood sugar levels already in normal range.* The Ultra Matrix technology involves suspending PGX® in a rich coconut oil matrix, which allows PGX® to disperse quickly when it reaches stomach acid. Incorporating PGX® into your daily diet will promote satiety, curb food cravings and normalize appetite and metabolism.*

Notice: A small percentage of people may initially experience minor digestive changes when taking PGX®. Slowly work up to the full dose to give your body time to adjust. It is important to drink adequate amounts of water (12–16 oz.) when taking PGX®. If you are taking medication, take it one hour prior to or two hours after taking PGX®.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial preservatives or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, corn, egg, fish, or shellfish or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
