What Makes Go Greens® Purple Superfood Blend Different?

Go Greens® Purple Superfood Blend is specially formulated with purple fruits and vegetables, resveratrol and greens to support healthy aging and fight free radicals. We also use barley grass juice powder which is 20 times more concentrated than barley grass, making Go Greens® Purple Superfood Blend much higher in phytonutrient content, and a smoother, better tasting product.**
Leave the grass for the cows.

Directions: Add 1 scoop to 12 to 16 oz of cold water. Shake until dissolved. Make it your own by adding Go Greens® to your favorite beverage, smoothie or shake. Use 1-2 times daily for optimal results. Taste the difference, feel the difference!

Go Greens® is made without GMOs†, dairy, soy, MSG and contains no artificial flavors or sweeteners. With each season's harvest, the taste of the pure and natural ingredients in Go Greens® will vary slightly.
