DIETARY SUPPLEMENT

Suggested usage: 1 softgel per day or as directed by a health professional. Keep out of the reach of children.

Astaxanthin Plus combines one of nature's most supportive antioxidants, astaxanthin, with lutein and zeaxanthin for the maintenance of good health.* Clinical studies have demonstrated that astaxanthin, a member of the carotenoid family, supports cardiovascular and immune health, as well as protects the skin from premature aging and other health risks associated with exposure to the sun's UV rays.* Astaxanthin Plus contains natural astaxanthin, which possesses greater biological activity than the artificial synthetic astaxanthin that many products use.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, salt, tree nuts, or GMOs. *Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.*
