

PRODUCT BENEFITS: PhysioLogics combines the benefits of whole Turmeric root with Turmeric extract standardized for 95% curcuminoids. Turmeric supports the immune system by helping stimulate the body's natural defenses.* A high intake of Turmeric is believed to contribute to brain health and functioning.*

Directions: For adults, take one (1) capsule daily, preferably with a meal or follow the advice of your health care professional. Capsules may be opened and prepared as a tea. As a reminder, discuss the supplements and medications you take with your health care providers.
