TORRENT™

SOUR CITRUS RUSH

Anabolic Muscle Activating Supplement

WHO WE ARE Universal Nutrition has been providing cutting edge and staple nutritional supplements to bodybuilders and hard training athletes the world over since 1977. As time passes, certain ideals never go out of style. Honesty. Integrity. Respect. These are the values we uphold and are the bedrock upon which we built our business. **WHAT IT IS** Torrent™ sets a new standard for post-workout (PWO) nutrition. Though often overlooked, this part of the bodybuilding equation is the most critical aspect in the quest to foster new growth. Properly utilizing this time is vital for inducing overall muscle mass activation. Torrent's™ formula is designed to maximize the anabolic "window of opportunity" that exists after a hard training session. After a hard workout your muscles are torn down, glycogen is depleted and your body enters a damaging catabolic state. When consumed immediately post-training, Torrent's™ proprietary blend of muscle mass activators rush to bring your body back into anabolic "green light" status, quickly repairing damaged muscle fibers while triggering fresh growth. Heightened anabolism, rapid nutrient transport, insulin potentiating, all delivered by means of a delicious post-workout growth cocktail. **HOW WE BACK IT UP** What is on the label is in the bottle and what is in the bottle will help you reach your goals. We guarantee it. Backed by our 100% ironclad money back guarantee, we proudly stand behind every item we produce. If for whatever reason you are not satisfied with any product bearing our name, simply return it to your place of purchase with a receipt for a full refund. Our word is our bond.
