

American BioSciences

Suggested Use: As a dietary supplement for adults take 2 capsules per day. For maximum benefits take 6 capsules per day with meals.

AHCC® (Active Hexose Correlated Compound), is made from hybridized mushrooms used in traditional Japanese healing, cultured in a liquid medium. It delivers activated hemicellulose, glyco-proteins, amino acids and oligosacchrides with a unique α -1,4 glucan structure.

AHCC is a registered trademark of the Amino Up Chemical Company, Sapporo, Japan.
VCaps is a registered trademark of Capsugel.
