

AHCC plus Vitamin D3

Suggested Use: As a dietary supplement for adults, take one (1) capsule twice a day for general maintenance. For maximum benefit, take up to 6 capsules per day.

The marriage of two of the most well-researched immune supplements, **ImmPowerD₃** contains AHCC® (Active Hexose Correlated Compound) and Vitamin D₃. AHCC is a powerful, hybridized mushroom extract used in Japanese healing for maintaining peak Natural Killer Cell function, one of the most important aspects of immune performance.* Vitamin D₃, known as the "Sunshine Vitamin," plays a sentinel role in immune system health.*

AHCC is a registered trademark of the Amino Up Chemical Company, Sapporo, Japan. VCaps is a registered trademark of Capsugel.
