

Multiple Detox Action*

Supercritical Antioxidants deliver a patented, safe and clinically studied natural formula that helps promote detoxification and antioxidant response in the face of smoke from vehicle exhaust, industrial plant emissions and other sources.* Because detoxification is influenced by many different functions, this herbal blend targets multiple pathways to help enhance the body's ability to detoxify and remove harmful compounds.* The formula delivers multiple concentrated, natural herbs that promote cell protection and can serve as a proactive approach to healthy aging.* The herbs in Supercritical Antioxidants, including full-spectrum Turmeric and Green Tea, have been carefully selected and combined to provide additional synergistic benefits. Our full-spectrum process extracts precious plant compounds to preserve Nature's full complexity, delivering a super-pure, super-potent herbal extract.
