

PRODUCT BENEFITS: Active ingredients in Turmeric include beneficial flavonoids called Curcuminoids, plant-based antioxidants that help fight cell-damaging free radicals.* Turmeric is known for its immune supporting properties and its antioxidant effects may also contribute to brain health.*

Directions: For adults, take one (1) capsule daily, preferably with a meal or follow the advice of your health care professional. Capsules may be opened and prepared as a tea. As a reminder, discuss the supplements and medications you take with your health care providers.
