NORWEGIAN GOLD[®]
THE ADVANCED FISH OILS

Norwegian Gold Every Omega is a full-spectrum Omega 3-5-6-7-9 oil that combines supercritical and cold-pressed fish and plant oils. These "good fats" deliver total body Omega support to promote heart, digestive, and overall health.*

- **Omega-3: Fish & Chia Oils**
Essential Omega-3s EPA, DHA and ALA provide powerful support for the heart, brain, joints, and eyes.*
- **Omega-5: Pomegranate & Fish Oils**
Vital Omega-5 supports cardiovascular health and blood sugar balance. Potent phytonutrients promote hormonal health in women.*
- **Omega-6: Borage & Fish Oils**
Known for hair and skin health support, the beneficial properties of Omega-6 have also been linked to a healthy hormone balance.*
- **Omega-7: Sea Buckthorn & Fish Oils**
Omega-7's antioxidant properties nourish healthy cells and support heart health.*
- **Omega-9: Borage & Fish Oils**
Research links Omega-9 with a healthy cardiovascular system and cholesterol levels, immune function, and healthy blood sugar levels.*

No Fishy Aftertaste and Increased Omega-3 Absorption*

Enteric-coating helps each Norwegian Gold softgel bypass the stomach to release in the intestines for no fishy aftertaste and better absorption of the Omega-3s.*

Natural Lipase is added to further aid in Omega-3 absorption. Lipase is essential for oil digestion, yet other fish oils lack this powerful fat-splitting enzyme.*
