

**PRODUCT BENEFITS:** Red Yeast Rice has been a part of the traditional Chinese diet for centuries. It is the by-product of the fermentation of cooked rice combined with *Monascus purpureus* yeast. Policosanol is a mixture of long-chain alcohols and promotes cardiovascular health through its positive effects on blood flow.\*

**Directions:** For adults, take one (1) capsule two times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

\*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
