

PRODUCT BENEFITS: Pycnogenol® is a unique and powerful natural plant extract derived from the bark of the French maritime pine tree, which grows in Les Landes in southwest France. Pycnogenol® possesses antioxidant properties that support the proper functioning of the skin, joints, immune system, cardiovascular system and eyes.* Pycnogenol® also supports sugar metabolism.*

Clinical studies at 100 to 200 mg per day.

Directions: For adults, take one (1) capsule one or two times daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
