

- Recommended by health care professionals
- 2-month supply
- 20 billion bacteria per capsule
- 10 bacteria strains
- Contains both pre and probiotics
- Vegetable capsule for better absorption

Suggested Use: Take 1 capsule per day. Improved, advanced capsule design protects bacteria from gastric acid, so take at any time of day.

Storage: Innovative packaging to protect against humidity. Refrigeration is recommended but not necessary.

Caution: Do not use if seal is broken. Please keep out of reach of children. Consult your physician before using if under medical care.
