

PRODUCT BENEFITS: Red Yeast Rice has been a part of the traditional Chinese diet for centuries. It is the by-product of the fermentation of cooked rice combined with *Monascus purpureus* yeast. Co Q-10 is a lipophilic antioxidant that helps promote metabolic functioning to fight against free radicals and oxidative stress, which is important for cardiovascular and nervous system health.* Co Q-10 is naturally found in the inner mitochondrial membrane of most cells in the human body and plays a fundamental role in the production of ATP.*

Directions: For adults, take one (1) softgel one to two times daily, with food or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
