

MTTM THE MOST POWERFUL SUPPLEMENTS ON EARTH.TM

At MuscleTech[®], our researchers are passionate about supplements. Our mission is to develop the most scientifically advanced and effective supplements to help you build muscle and strength, lose weight, and improve athletic performance. Thanks to our millions of loyal customers, we are fortunate to be the most-awarded and best-selling sports nutrition brand over the past 20 years.

Many supplement companies do not disclose their ingredients, and don't invest in science and research, or quality control. We are different. MuscleTech[®] invests millions in product research and development, and quality control – and our supplement facts always tell you EXACTLY what you are getting: The Most Powerful Supplements on Earth!

Manufactured according to CGMP standards, as is required for all dietary supplements.

MuscleTech[®] is the Leader in Science with a Multi-Million Dollar Research Budget -

A portion of every dollar spent on MuscleTech[®] supplements is allocated toward scientific research to discover new and more effective ways to increase lean muscle and strength, and improve athletic performance. In fact, Team MuscleTech[®] researchers have collaborated with researchers at over 20 universities and research facilities around the world to study the various key ingredients found in our powerful formulas.

Platinum Pure CLA 95 – Platinum Pure CLA 95 delivers the world's most pure CLA. In fact, you won't find a one-soft gel serving of any other product that delivers more CLA than Platinum Pure CLA 95.

CLA has been clinically studied and shown to increase muscle growth and strength. Research suggests that it works by down-regulating the TNF-alpha catabolic enzyme in muscle, helping to prevent your body from breaking down your lean muscle mass. In one clinical study, subjects taking 5g of CLA per day built 6 times more muscle than those using a placebo (2.8 lbs. vs. 0.4 lbs.) in just 7 weeks*. That's why you need to add Platinum Pure CLA 95 to your musclebuilding program today!
