

Discover the *force* of the Whole

Ginger *Force* supports blood platelet health and cardiovascular function, *in vitro*.* Active ingredients support the growth of beneficial intestinal microorganisms, which are vital for intestinal health.* The full spectrum of beneficial compounds found in Ginger *Force* is delivered using a supercritical extraction, whole-food approach to herbal supplementation. Ginger *Force* supports a **healthy inflammation response**.* Our full-spectrum process extracts precious plant compounds to preserve Nature's full complexity, delivering super-pure, super-potent herbal extracts.

Full-Spectrum Extraction: Our Difference

Many companies isolate elements from an herb, concentrate them, and label it "whole herb." New Chapter delivers the wisdom of **whole food**. Using only natural supercritical CO₂ or traditional techniques of extraction, our Force extracts guarantee the fullest spectrum of beneficial phytonutrients in their natural profile.
