

Holistic Prostate Support*

Prostate 5LX combines multiple prostate-supportive phytonutrients, including dual extracts of Nettle and supercritical Saw Palmetto.* Prostate 5LX delivers specific revered herbs that help maintain normal urine flow function.* Whole-food complexed Selenium, with complementary benefits from Rosemary and Green Tea, supports a healthy antioxidant response in the whole body, including the prostate.* Prostate 5LX contains a proprietary blend, with complementary Pumpkin Seed oil, that has been shown *in vitro* to be more effective than its single herb constituents.* New Chapter uses only supercritical CO₂ or traditional techniques to deliver a super-pure, super-potent extract.
