SUGGESTED DIRECTIONS AND USE

Take 1-2 capsules in the morning, and 1-2 capsules 6-8 hours later. To avoid sleeplessness, avoid taking 6 hours prior to bedtime. It may be necessary to begin with lower dosage and slowly increase to max dosage. Do not exceed 4 capsules in a 24 hour period. To be used as part of a healthy lifestyle consisting of regular physical activity and a proper diet.

WARNING: Not intended for use by persons under age 18. This product is intended to be used by normal healthy adults and should not be used by anyone with known medical conditions. Do not use if pregnant or nursing. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Do not combine with any other sources of caffeine. Consult a medical doctor before starting any diet or exercise plan. Do not exceed recommended serving. Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting, or difficulty in swallowing or breathing after taking this product, seek immediate medical attention. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. **KEEP OUT OF REACH OF CHILDREN, STORE IN A COOL, DRY PLACE AND AVOID EXCESSIVE HEAT.**
