

Suggested usage: 1 capsule 1–3 times per day or as directed by a health professional. When taking antibiotics, wait two hours before ingesting probiotics. Keep out of the reach of children.

This synergistic combination supports intestinal tract health and contains goat's milk, an excellent growth factor for beneficial micro-flora.* These cultures are freeze-dried to ensure long-term stability and maximum potency.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no starch, wheat, gluten, corn, egg, fish, shellfish, tree nuts, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

FOR MAXIMUM POTENCY, REFRIGERATE.

‡Guaranteed minimum 10 billion active cells per capsule at expiry date.

‡Guaranteed minimum 13 billion active cells per capsule at manufacture date.
