

PRODUCT BENEFITS: Chitosan is a polysaccharide derived from crustacean shells. As a dietary fiber, Chitosan is not digestible.* Fiber promotes a feeling of fullness, and Chitosan contributes to daily fiber intake.* Use this product as an addition to your reduced-calorie diet and daily exercise program. It is important to drink at least 6-8 cups of water daily when increasing your fiber intake.

Directions: For adults, take two (2) tablets three times daily, 30-60 minutes before breakfast, lunch and dinner with 8 ounces of water or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
