

PRODUCT BENEFITS: This product contains the three top natural supplements for joints. Glucosamine and Chondroitin work together to support chondrocytes and promote cartilage and joint health.* Glucosamine and Chondroitin also act to lubricate joints.* MSM provides the raw material, sulfur, to build and renew the cartilage matrix.* The dosage in this product is the most popular for supporting flexibility, mobility and joint comfort.*

Directions: For adults, take three (3) tablets daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
