

PRODUCT BENEFITS: PhysioLogics' EPA/DHA with Co Q-10 provides numerous clinical benefits including cardiovascular, heart and metabolic health.* EPA and DHA help to maintain triglyceride levels already within a normal range.* Co Q-10 helps neutralize harmful free radicals such as superoxide.* Co Q-10 also acts as an electron acceptor in the mitochondria to support oxidative phosphorylation and energy metabolism.*

Directions: For adults, take one (1) softgel three times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
