

SUGGESTED USAGE: As a dietary supplement, take 1 capsule with each meal or as directed by your healthcare practitioner.

HOW IT WORKS: Protocol for Life Balance® Enzymes-HCl™ is a comprehensive enzyme formula designed to support both gastric and intestinal digestive functions.* The inclusion of Betaine HCl helps to start digestion by the stomach and provides the correct pH to stimulate intestinal function.* A full spectrum of proteases further assists the intestine in the complete breakdown of food for enhanced absorption.*

CAUTIONS/INTERACTIONS: Digestive enzymes may interact with some diabetes medications. For more information on this product go to www.protocolforlife.com/P2963

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Formulated by doctors and clinical scientists exclusively for licensed healthcare practitioners.
