

Suggested Use: As a dietary supplement, take three (3) softgels daily, or as directed by a healthcare professional.

Caution: If you are pregnant, nursing, have a medical condition, or are taking medication, consult your healthcare professional before using this or any other nutritional supplement. Discontinue use if allergic reaction occurs.

CLA supports and speeds the weight loss process and increases metabolic rate to help burn calories faster especially when on a reducing diet.

When used in conjunction with a regimented plan of diet and exercise, CLA not only reduces body fat but also increases muscle strength and exercise endurance.*
