

Mega-Zyme® means strong Support!

Mega-Zyme is formulated with MAX-strength enzymes to help relieve muscle soreness and discomfort due to overexertion and exercise. Mega-Zyme, when taken with food, can also help support optimal digestion as well as help with digestive discomfort from occasional gas and bloating.

†Mega-Zyme contains undiluted pancreatic enzymes which deliver 10x the strength specified by the United States Pharmacopeia.

Recommendations: To relieve muscle soreness and discomfort due to overexertion and exercise, take two tablets two to three times a day between meals. To support optimal digestion, take two tablets before each meal. This product is not intended for children. If pregnant, nursing, or taking prescription drugs, consult your healthcare professional prior to use.
