

CODE 5982

V2

SUGGESTED USAGE: As a dietary supplement, vigorously mix 1-2 level tablespoons daily into at least 12 oz. of water or juice and consume immediately. Be sure to drink plenty of additional fluids throughout the day. Start with smaller amounts and gradually increase over several weeks.

Surveys have shown that the fiber content of the American diet is typically about half of the government recommended levels. Whole Psyllium Husks can be a convenient way to increase the intake of dietary fiber. Psyllium has the ability to swell up to 50 times its initial volume when added to liquid. This bulking action can play an important role in maintaining regularity and gastrointestinal health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

NOTICE: This product should be taken with at least a full glass of liquid. Taking this product without enough liquid may cause choking. Do not take this product if you have difficulty in swallowing.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Whole Psyllium Husks

INTESTINAL HEALTH
