Warnings: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call your physician or a Poison Control Center immediately.

Warning: If you are taking Coumadin®† (warfarin), or any other prescription drugs, see your healthcare practitioner before using this product.

†Trademark of its respective company.

Refuel Your Body From Depleted Vitamins and Nutrients
When you're pregnant or lactating, you're consistently "feeding" your child from the nutrients in your own body, so it's no surprise you rapidly deplete these vitamins and minerals. Doctor's Choice™ Prenatal Formula provides safe, sufficient nutrition you and your baby need.*

Recommendations: Four tablets daily for pregnant and lactating women. Can be taken as one or two tablets with each meal.

ETI is an FDA-registered Drug Establishment.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
