

Researched Hawthorn Extract

HeartCare™ contains the actual hawthorn extract used in research studies. It supports efficient heart muscle metabolism by helping improve its oxygen and energy utilization.*

18.75% Oligomeric Procyanidins

While many other hawthorn extracts contain vitexin from the plant's berries, HeartCare is standardized to oligomeric procyanidins extracted from the leaves and flowers for optimal effectiveness.

Contains no yeast, milk, lactose, wheat or soy. Safety sealed with a printed outer shrinkwrap film and a printed inner bottle freshness seal. Do not use if either seal is broken or missing. **Keep out of reach of children.**
