

Suggested Use: As a dietary supplement, take one (1) capsule up to two times daily, or as directed by a healthcare professional.

Caution: If you are pregnant, nursing, have a medical condition, or are taking medication, consult your healthcare professional before using this or any other nutritional supplement. Discontinue use if allergic reaction occurs.

DIM (250mg) helps to eliminate active estrogen from the male body by promoting its conversion into the "good" metabolites. Contains BioPerine[®], a patented

ingredient added for its ability to increase nutrient absorption. Research shows higher levels of testosterone and low levels of estrogen have been linked to lean body mass, an efficient fat-burning metabolism, and low abdominal fat. DIM supports a more desirable action from testosterone along with a healthier balance of testosterone to estrogen ratio.*

Olympian Labs, Inc. products are made with the highest quality ingredients and manufactured according to current Good Manufacturing Practices (cGMP).

KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL, DRY PLACE.
