

UNFLAVORED GRANULES!

Mix into water or  
sprinkle onto your  
favorite moist food.

**PGX<sup>®</sup>**  
**DAILY**

PGX<sup>®</sup> (PolyGlycoX<sup>®</sup>) is a novel complex of water-soluble polysaccharides. It was developed after many years of research, most of which focused on the link between blood sugar levels, appetite and weight gain. PGX<sup>®</sup> safely and effectively supports healthy blood sugar levels within normal ranges, reduces appetite and supports weight management.\*

The most important advantage of PGX<sup>®</sup> over other soluble fiber products is that significantly less PGX<sup>®</sup> is required to obtain the same important health benefits, including appetite control and reduced food cravings.\*

**PGX<sup>®</sup> is great with ALL Weight Management Programs**

Try other PGX<sup>®</sup> products including PGX Daily<sup>®</sup> Ultra Matrix softgels and SlimStyles<sup>®</sup> PGX<sup>®</sup> Ultra Matrix Plus Soothe Digest<sup>™</sup>. Also try SlimStyles<sup>®</sup> with a PGX<sup>®</sup> meal replacement drink – a blend of PGX<sup>®</sup> and high quality whey protein with added nutrients that when blended with water make a creamy, delicious smoothie! Available in 4 flavors: Double Chocolate, French Vanilla, Very Strawberry and Rich Mocha.

**Suggested usage:** Mix 1 packet of PGX<sup>®</sup> granules (2.5 g) into 8 fl. oz. of cold water and stir briskly. Take 1 to 2 times per day or as directed by a health professional. Take PGX Daily<sup>®</sup> with or without food or with healthy snacks to greatly reduce appetite and curb food cravings.\*

Reduces appetite by promoting a feeling of fullness.\* Helps lower the glycemic index.\* Helps reduce elevated total and LDL cholesterol levels and promotes healthy blood sugar levels in those already within the normal range.\*

**Serving option:** PGX Daily<sup>®</sup> Granules are unflavored and can also be sprinkled onto moist food, yogurt, fruit salad (fresh or no sugar varieties), oatmeal, soup, non-carbonated low-calorie beverage or meal replacements. On the go? PGX<sup>®</sup> singles make it easy to take PGX<sup>®</sup> when you are away from home. Be sure to have a few singles on hand at a restaurant, on a plane or at your desk. Wherever you are, singles are a convenient way to add PGX<sup>®</sup> to your daily diet.

**Notice:** A small percentage of people may initially experience minor digestive changes when taking PGX Daily<sup>®</sup>. Slowly work up to the full dose to give your body time to adjust. It is important to drink adequate amounts of water (8-16 oz.) immediately after taking PGX Daily<sup>®</sup>.

**Cautions:** Consult a health professional prior to use if you are under 18 years of age, are pregnant or breastfeeding, or have any health concerns. If you are taking medications, take one hour prior to two hours after taking PGX Daily<sup>®</sup>. If your goal is to achieve weight loss, or if you are diabetic or on cholesterol lowering medications, consult a qualified health professional prior to use. Keep out of the reach of children.

PGX<sup>®</sup> promotes weight loss when combined with a healthy diet and exercise plan.\* Results may vary.
