

Better Health Begins in your Kids Digestive System*

Ultimate Flora Kids Probiotic is a safe and gentle way to help replenish the balance of "good" bacteria in the intestines to support a growing child's immune system.*

Did you know?

- Up to 80% of the immune system is found in the intestines!
- Probiotics also produce vitamins and support regular, balanced digestion.*

IMPORTANT NOTES

- ✓ Great Natural Berry-Licious Taste
- ✓ NO Sugar or Artificial Sweeteners
- ✓ Naturally Sweetened with Tooth-Friendly Xylitol
- ✓ NO Artificial Flavors, Colors or Preservatives
- ✓ Dairy Soy and Gluten Free

Contains no wheat, gluten, soy, dairy, eggs, shellfish, tree nuts, or artificial ingredients.
Made in a facility that also manufactures products that contain wheat, gluten, soy and dairy. Individuals extremely sensitive to these ingredients should consult a physician prior to using this product.

Helps Promote Digestive Balance*
Supports the Immune System*

What Are Probiotics?

Probiotics are the trillions of beneficial bacteria that naturally live in the intestines.

Ultimate Flora Kids Probiotic includes two important types of kid-friendly bacteria, Lacto (Lactobacilli) and Bifido (Bifidobacteria).

Why Give Kids Probiotics?

Every day your child is exposed to challenges to their immune and digestive systems while in school, at play or from the environment.

- Beneficial bacteria can be depleted by diets too high in sugar or too low in fiber, and by certain medications.*
- Probiotics, or "good bacteria," can promote a healthy balance of flora to support digestion.*
- Probiotics are considered a safe and gentle way to help support the immune system.*
