

PRODUCT BENEFITS: PhysioLogics' BioFlora® HP provides a unique combination of a specially cultured strain of *Lactobacillus Acidophilus*, plus three additional Probiotic organisms to support digestive function and promote healthy intestinal flora.* Acidophilus promotes the healthy functioning of the intestinal system.* Each capsule provides 3 billion intestinal probiotics at the time of manufacture. This formula also includes Citrus Pectin.

Directions: For adults, take two (2) capsules daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
