Boneset Liquid Extract

Ingredients: certified organic alcohol (43-53%),
distilled water & Boneset extractives. **GLUTEN-FREE**

Dry herb / menstruum ratio: 1 : 5

We prepare our Boneset Extract from the leaf &
flowering top of *Eupatorium perfoliatum* plants which
are **Certified Organically Grown** on our own farm or
are **Sustainably Wildcrafted** in their natural habitat.

To assure optimal extraction of Boneset's bioactive
compounds, the plant is hand-harvested only when
coming into flower, is carefully shade-dried and
cleaned of superfluous stems, and is then thoroughly
extracted.
